

STUDENT CODE OF CONDUCT

Maintaining the dignity of each person, in all situations, is crucial in managing behavior. Effective discipline comes from the belief that teaching individuals to take responsibility for their behavior is more motivating in creating behavioral changes than teaching individuals to be obedient in order to avoid punishment. The Student Code of Conduct applies when students are at school or on their way to and from school (using school buses), while participating in school outings and activities, in person or through social media.

STUDENT CODE OF CONDUCT

The Pledge

Today I have an obligation

No longer will I be silent

Silence is participation

I refuse to participate in the problem

We are all different, but we all deserve respect

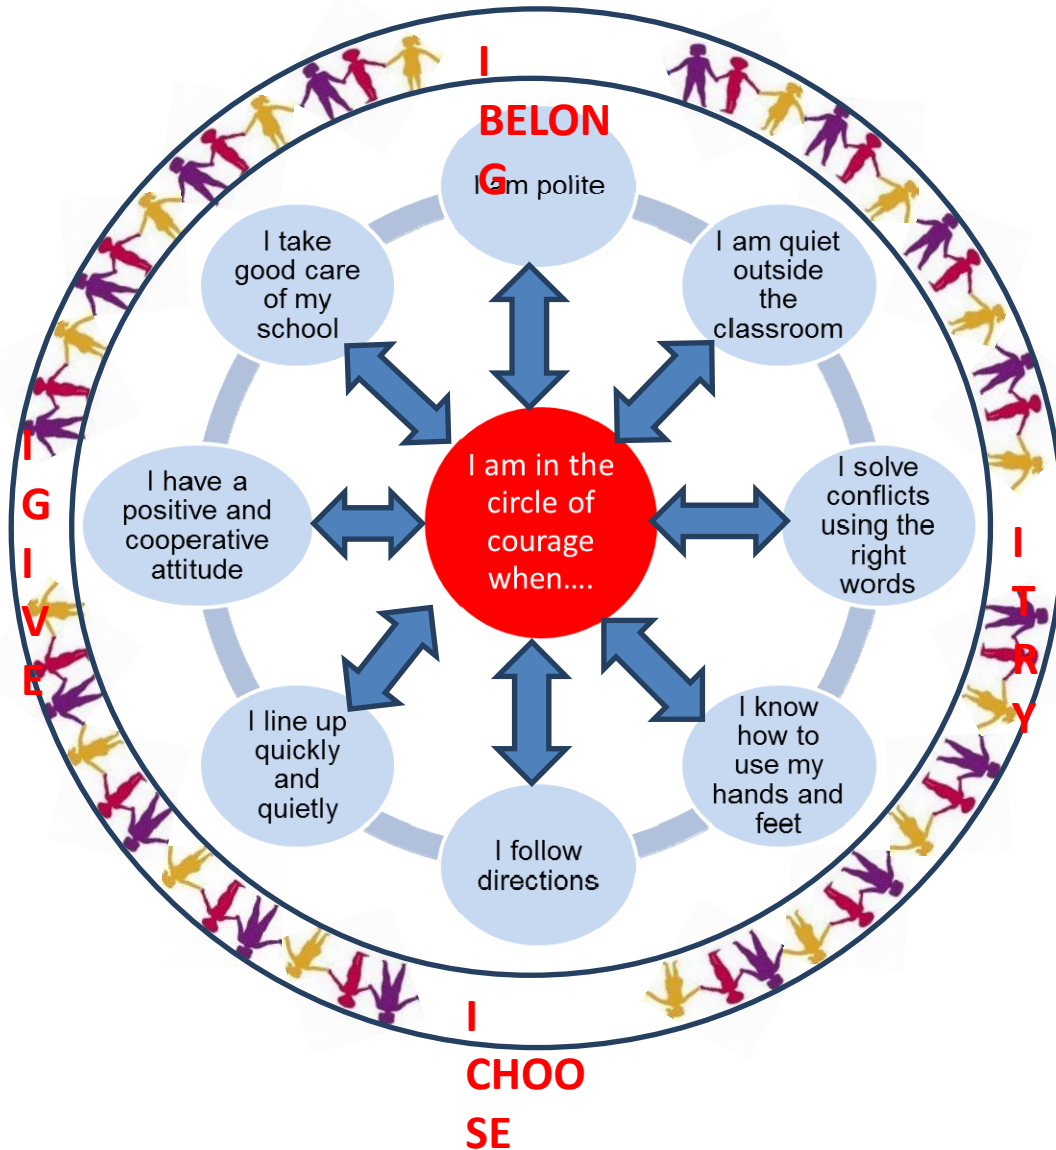

If you need help, come to me

If I think you need help, I'm getting involved

I've got your back

STUDENT CODE OF CONDUCT

CIRCLE OF COURAGE

Our Circle of Courage is an integral part of our student Code of Conduct. It describes the type of positive behavior we expect from students and the qualities that we value as a community: generosity, independence, mastery and belonging.

Students who break the circle of courage are asked to make restitution – how can they fix what they have broken? Peer mediators or Encouragers help fellow students to do this. Peer mediation is a meaningful, and often powerful, tool to help students better understand their role within the school community. We keep a record of student’s actions outside

of the Circle of Courage. When a student is sent to mediation 5 times, they must visit the Principal and parents are notified.
