MISSION

The Wilder Penfield Community is committed to creating an interactive, integrated school environment, in which every student develops a curiosity and love for learning, in order to allow all to become competent, engaged, successful citizens.

VISION

We, the members of the Wilder Penfield School community comprising of students, parents, teachers, professionals, support staff, and administrator, value:

- Respect and caring for self and others
- The environment
- Life-long learning
- The pursuit of excellence
- Fulfillment of individual potential
- Responsible citizenship - a strong sense of community and belonging

SCHOOL PROFILE

Wilder Penfield School was established in 1968. The school is set in a residential neighborhood of Dollard-des-Ormeaux. Our property adjoins Westminster Park which is used by our students for Physical Education and during recess and lunchtime.

Wilder Penfield is an early immersion school. Kindergarten and cycle one students receive 85% of their instruction in French and 15% in English. Cycles two and three students receive 50% of their instruction in each of the two languages. Programs consist of English, French, Math, Science, Art, Physical Education, Dance, Drama and Music. Our current enrollment is of 298 students, with a small projected increase over the next 5 years. Over half (54%) our students use our daycare services. Wilder Penfield is an inclusive school and as such integrates diverse learners in the classroom to the fullest of their capabilities. Seventeen percent of our students are on Individualized Education Plans (IEPS) and 6% are considered to have handicaps, social maladjustments or learning difficulties. These students are supported by integration aides, resource teachers, and psychologist, special education technician and speech and language specialists and our new "Mindset Room" to help students struggling with their anxiety or any social-emotional issue. Our school also has the support of a nurse and social worker through the Pierrefonds CSSS.

The school is well equipped, with Smart Boards in each classroom, computer lab with 32 computers, as well as mobile labs. We have invested, since 2012, in a schoolyard embellishment project which has included two new playground structures, resurfacing a grassy area, installing picnic tables, and planting trees.

The Wilder Penfield team is comprised of 24 teachers, 7 integration aides, 4 SSD professionals, 9 daycare educators, 8 lunch supervisors, 5 support staff and a special education technician. Although we have recently welcomed 3 new staff members, many Wilder staff have been at the school for over 15 years. The Wilder Penfield staff are dedicated educators who have great relationships with students and their families. Our community is like an extended family and everyone works together for the success of all students.

As a result of this great collaboration our success rates are outstanding; Math 92%, English 97% and French 97%. Very few students are unsuccessful as you can see and we continue to strive for a 100% success rate for all students.

Wilder Penfield has a strong family community as there are many parents involved in school life. They may volunteer for: Governing Board, Home & School, library, computer lab, and field trips. The Wilder Penfield School population is culturally diverse, but for many their mother tongue is English.
