Anti-Bullying and Anti-Violence Plan

Lester B. Pearson School Board

June 12, 2024

DATE OF GOVERNING BOARD APPROVAL

GOALS OF THE ANTI-BULLYING AND ANTI-VIOLENCE (ABAV) PLAN

- In compliance with the [Quebec Education Act](#) (QEA), the main purpose of the ABAV plan must be to prevent and stop all forms of bullying and violence targeting a student, a teacher or any other school staff member, **in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic.** This plan specifies the duties and responsibilities of the relevant parties of the school **community** and the school **partners** in achieving this.

- Outline the responsibilities of all parties towards the elimination of bullying and violence in the school community, including the responsibility of parents to promote a positive and respectful school climate inside and outside school.

- School boards must see to it that each of their schools provides a healthy and secure learning environment that allows every student to develop their full potential, free from any form of bullying or violence.

- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.

- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

School Community Parties:

Students, Staff, School Administration, School Board, Governing Boards, & Parents.

School Partners:

Outside organizations including but not limited to bus companies, coaches, & volunteers.

"The Lester B. Pearson School Board believes that everyone in its community is entitled to a safe, healthy, secure, respectful and caring environment. The School Board believes that education should prepare our students for a responsible life in a free society, in a spirit of understanding, peace, tolerance, and equality of sexes based on the principles of respect, diversity and inclusion."

-LBPSB Policy on Safe and Caring Schools

DEFINITIONS as applied in ABAV

Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”
<https://www.legisquebec.gouv.qc.ca/en/document/cs/p-22.1>

Racism

- “Corresponds to the “set of ideas, attitudes and actions whose purpose is to make ethnocultural and national groups feel inferior socially, economically, culturally and politically, thereby preventing them from benefitting fully from the advantages to which all citizens are entitled.” Racist discourse is usually based on real or presumed physical and cultural differences.” ([MIDI, 2015](#))

Discrimination

- “Every person has a right to full and equal recognition and exercise of his human rights and freedoms, without distinction, exclusion or preference based on race, colour, sex, gender identity or expression, pregnancy, sexual orientation, civil status, age except as provided by law, religion, political convictions, language, ethnic or national origin, social condition, a handicap or the use of any means to palliate a handicap. Discrimination exists where such a distinction, exclusion or preference has the effect of nullifying or impairing such right.” ([Charter of Human Rights and Freedoms, section 10](#))

Parent

- “the word “parent” means the person having parental authority or, unless that person objects, the person having custody de facto of the student” ([art. 13, QEA](#))

1. ANALYSIS OF THE SITUATION

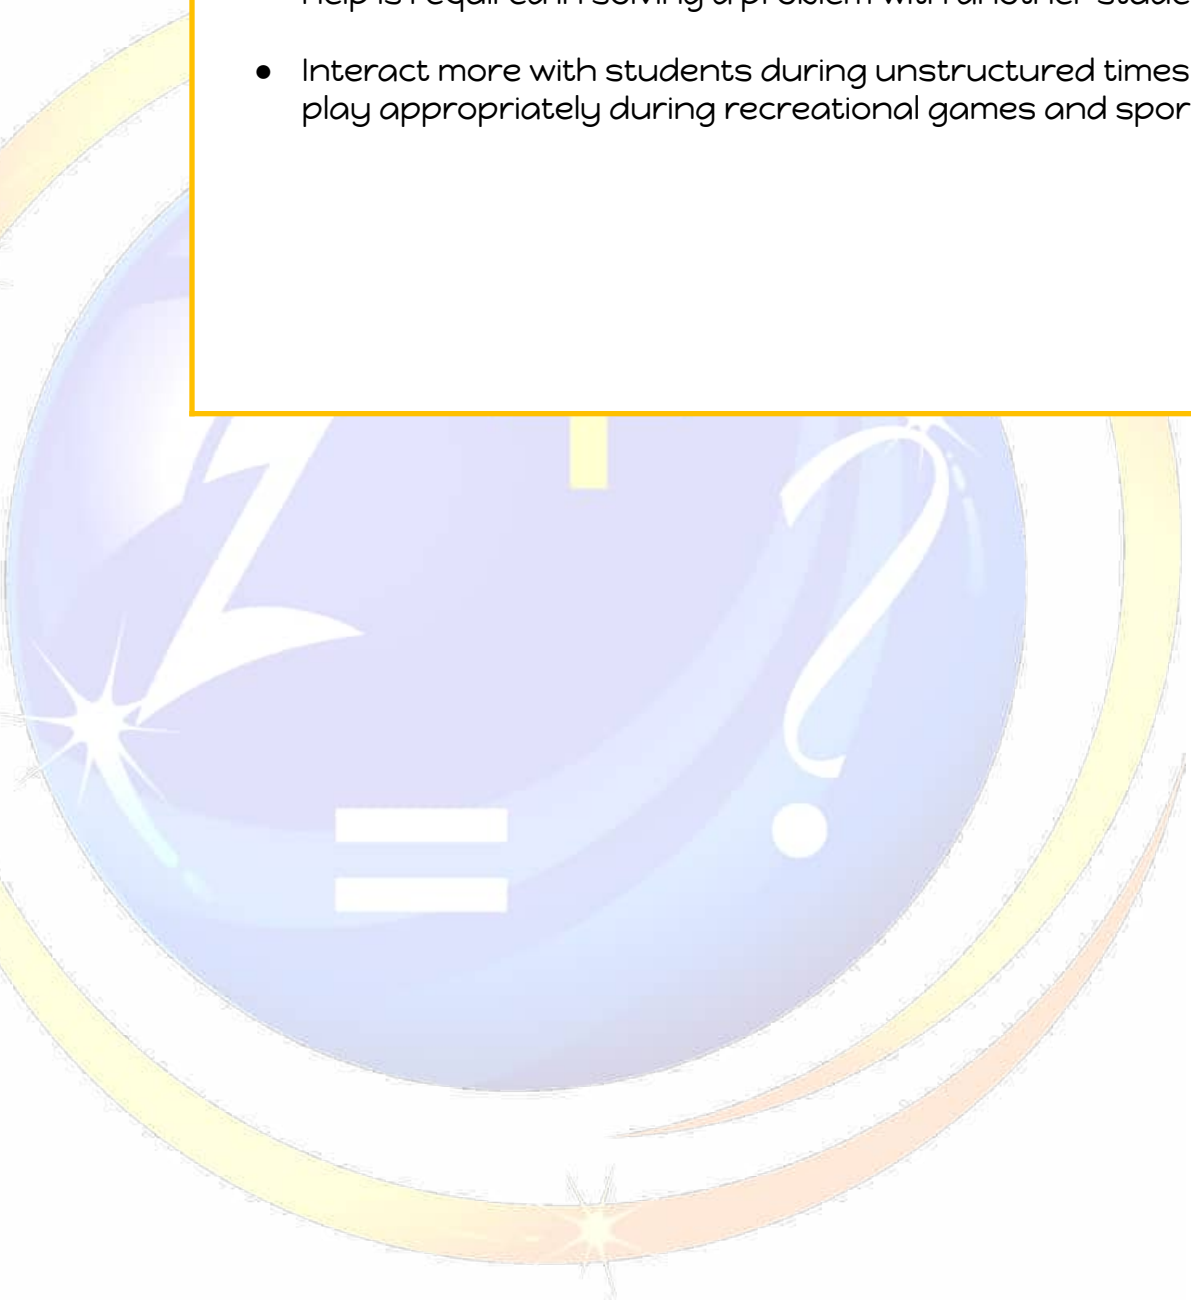

Description of the findings that emerge from the situation analysis with respect to bullying and violence

Our description remains the same from last year. We have seen improvement, however there is still more improvement to be had. We are using the same statistics as last year because our TTFM survey results this year were compromised and the data could not be used.

- According to the TTFM survey given in the 2022-23 school year, only 57% of students feel safe in school. Students are not feeling safe in school because they are witnessing other students argue, fight, and use inappropriate language.
- Many boys have difficulty playing physical games and sports in a recreational way, causing them to become too competitive. This leads to physical aggression and, at times, physical fighting.
- We have begun to notice a pattern with some girls who are expressing themselves in a mean and hurtful way towards one another.

Priorities identified with respect to bullying and violence

- Restructuring our supervision strategies to better manage the school yard through active supervision. This is our second year of implementation.
- Encourage and promote students to immediately communicate with an adult in school when any type of support is needed, especially if help is required in solving a problem with another student.
- Interact more with students during unstructured times; help them play appropriately during recreational games and sports activities.

2. PREVENTION MEASURES

The ABAV plan must include prevention measures to put an end to all forms of bullying and violence, in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic. Additionally, LBPSB sanctions its schools and centres to carry out measures to promote Equity, Diversity, Dignity, and Inclusion (E.D.D.I.) for all the parties of the school community and their partners.

Obligations of the QEA	
Ensuring a Safe and Caring School Climate	The rules of conduct and the safety measures must be presented to the students during a civics session held each year by the principal in collaboration with the school staff, and must be sent to the parents at the beginning of each school year. (art.76, QEA)
	The principal shall see to it that all school staff members are informed of the school's rules of conduct, safety measures and anti-bullying and anti-violence measures, and of the procedure to be followed when an act of bullying or violence is observed. (art. 96.21, QEA)
	During the month of September each year, the principal of a school providing education to students in the second cycle of the secondary level shall see to the formation of a student committee. (art.96.5, QEA)

Priorities and Prevention Measures	
LBPSB Priority: To promote the values of the EDDI statement	Prevention Measure(s): To promote the values of the EDDI with the support of our personal development and community involvement animator and a variety of activities throughout the school year.
School Priority:	Prevention Measure(s): Active supervision: Staff members on duty during morning recess, lunch recess and afternoon recess will continue to actively walk around their designated area of supervision. They look out for body language or listen for inappropriate language and intervene before it becomes physical or aggressive. They take the opportunity to model how to resolve an argument or physical altercation during a game or sports activity. This is our second year implementing active supervision.

School Priority:

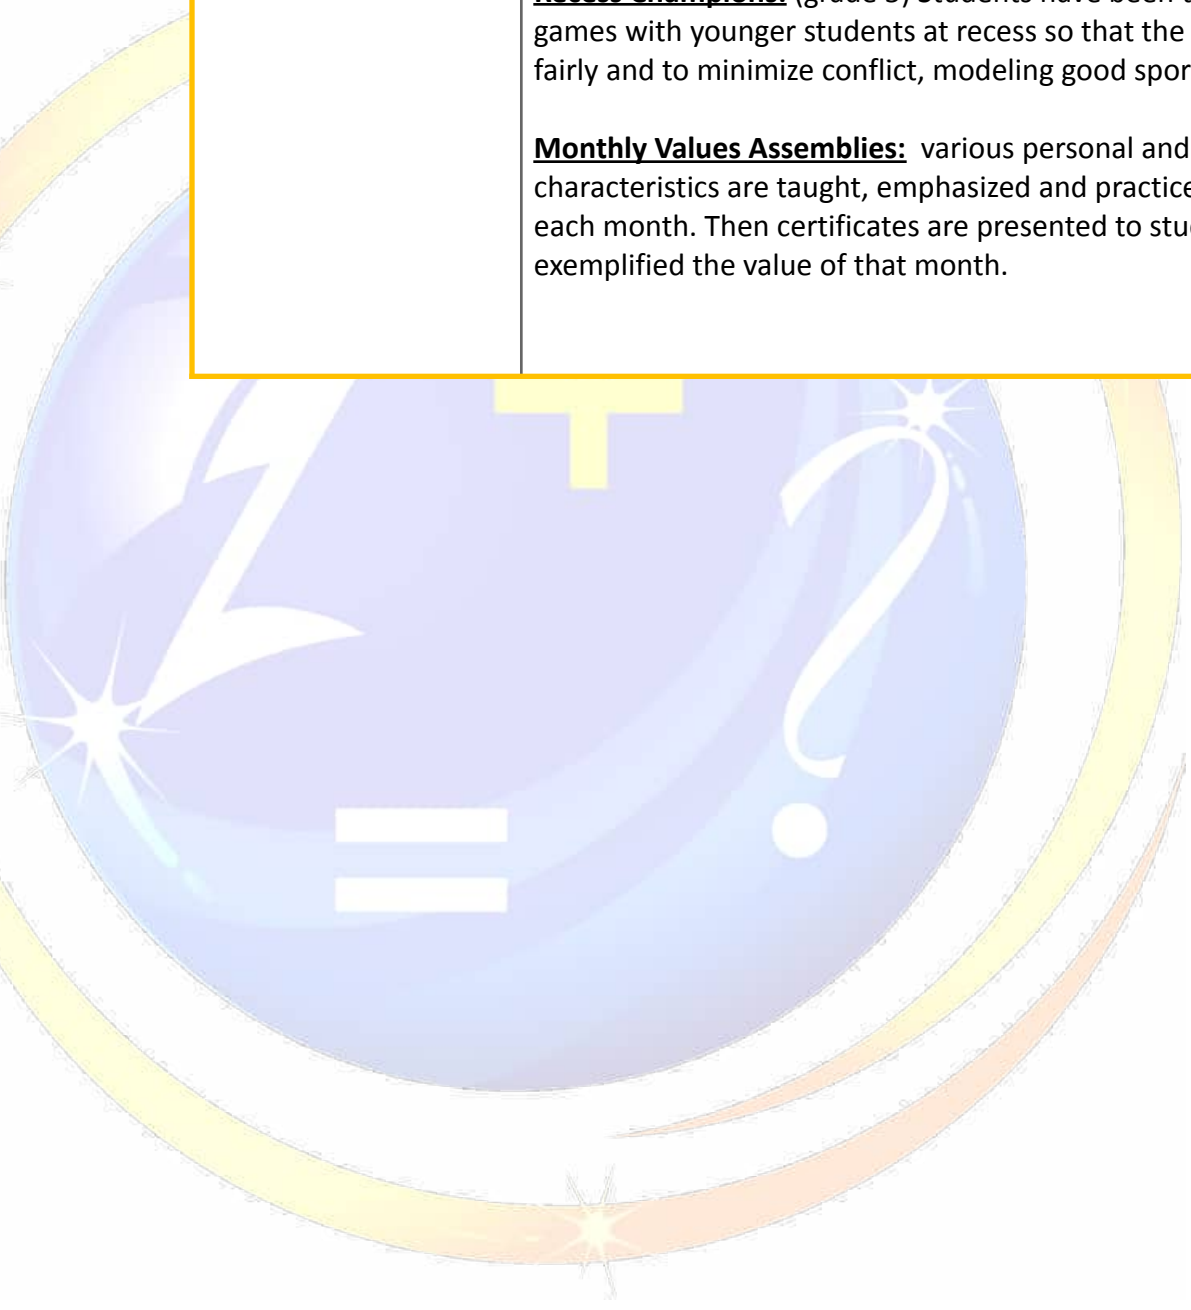

Prevention Measure(s):

SNAP Pilot Program: All students in grade 3 will be participating.

Peer Mediation: “The Encouragers (grade 6 Students)” are trained and supervised by teachers to help mediate student conflict or review school rules with other students.

Recess Champions: (grade 5) Students have been trained to play games with younger students at recess so that the game is played fairly and to minimize conflict, modeling good sportsmanship.

Monthly Values Assemblies: various personal and social characteristics are taught, emphasized and practiced throughout each month. Then certificates are presented to students who exemplified the value of that month.

3. MEASURES TO ENCOURAGE PARENTAL COLLABORATION

Parents are valuable partners and it is important to work together when it comes to taking action to prevent and stop bullying and violence. It is together that we can find the solutions. This collaboration will enable us to continue to flourish and succeed in an atmosphere of mutual respect ([LBPSB Policy on Safe and Caring Schools](#)).

Measures encouraging parent(s)/guardian(s) collaboration in preventing and stopping bullying and violence and in creating a healthy and secure learning environment.

- The Code of Conduct and the ABAV Plan will be made available to parent(s)/guardian(s); it will be posted on the school website.

Other school-based measures, if necessary:

- The SNAP program will offer a 7 week program for both students and parents. We are offering it to grade 3 students to focus on effective communication skills so that it helps with conflict, which often leads to use of inappropriate language, verbal aggression and physical aggression, especially with students playing sports at recess. There is also a free component offered to parents should they wish to participate.

"The Lester B. Pearson School Board believes that the school board's administrators, staff, parents, students and all those present in the school's environment have a responsibility to ensure that the right to be safe and secure is upheld."
